Fundraising Ideas

Pick the right challenge for you

Fundraising should be fun, so make sure you pick the right challenge for you.

Listed below are four easy steps to follow for any event you decide to organise or take part in.

1

WHAT AND WHERE

Think about what you'd like to do and where. Can it be tracked on an app like Strava?

2

WHEN

What is the best time to host your fundraiser? Events can work best over a weekend.

3

WHO

Invite everyone you know, not just friends and family. Communities are an amazing support network. Word of mouth is a powerful force.

4

HOW MUCH

Set yourself a target. It's a great motivation! Does your employer match funds raised?

Keeping Things Safe

How to collect donations

Licences needed

If your event includes:

- a bucket collection in public (gov.uk/street-collection-licence)
- selling food, alcohol or playing music
- more than 500 people at your venue (www.gov.uk/temporary-eventsnotice)

You will need a licence for each activity, otherwise you may face a fine.

Raffles

Provided you sell and draw your raffle tickets on the same day, you won't need a license.

Do speak to us first if you have any questions!

Formal bit

Arthritis Action cannot accept liability for any loss, damage or injury suffered by you or anyone else as a result of taking part in a fundraising event. As a voluntary fundraiser you will be raising money in aid of Arthritis Action not on behalf of.

OTHER WAYS TO COLLECT SPONSORSHIP

We can send you sponsorships forms to hand around. If you have been given a cheque, or would like to make a payment over the phone or via bank transfer simply email fundraising@arthritisaaction.org.uk

One of the easiest ways to collect donations is through a JustGiving page.

Below are top tips for you once you've followed the instructions on JustGiving:

1

ADD PHOTOS

A profile photo can make your page easily found and recognisable. Add photos as updates in training.

2

START EARLY

Create your page early on, ideally 2-3 months before your event.

3

SET A TARGET

Setting a target will show your sponsors how their contribution helps reach your goal.

4

SHARE

Share your page on Social Media and via email or WhatsApp as soon as it's created and when you post updates.

"I was honoured to run the Cardiff half marathon in memory of my friend Jonathan, who lived with the chronic pain of arthritis from the age of four. It was especially poignant to video call his mam Margaret as I crossed the finish line to share that moment. I'm really proud to fundraise for Arthritis Action knowing all the support they give to people like Jonathan to manage their arthritis and live as full a life as possible." **Bethan**

"Arthritis is a condition that is very close to me and my family as it was something my granddad suffered with. I watched him slowly lose his independence and his passion for golf due to the condition. It became increasingly difficult watching what arthritis did to him, seeing his mobility and dexterity with his hands really go downhill. My granddad was from Scotland and spent a lot of his life living in Edinburgh. I've always wanted to do a marathon, so having it in Edinburgh and in my granddad's memory just seemed like the best next step." **Callum**
